

2019 Results and Highlights of Higher Education Sprout Project

Fulfill social responsibility	
Sub-project	4-1-2 for the local service and care
Results and Highlights:	
<p>The project implement of the local service and care includes three locations: "St. Francis of Care for the Elderly Center", "Shu-Guang Society Support Association" and "Ren'ai Senior Citizens' Home". Through caring activities and helping the elderly in the community to clean up their home environment, students realize the importance of loving life. Then achieve the purpose of local service and self-affirmation, and then improve their own character. The total number of student executions reached 75 person-time in this project. Especially for caring and accompanying the elderly in small games. Students can feel and appreciate the joy of doing good, and understand the importance of giving.</p>
