

2019 Results and Highlights of Higher Education Sprout Project

Implement teaching innovation and improve teaching quality

Sub-project

Sub-project 1-2-6 for the cultivation of fashion and beauty capabilities

Results and Highlights:

This project has held one field trips and three industry expert seminars. Field fashion beauty and seminars with industry experts are very helpful for students to understand the job market and career development. This can be confirmed by the students' off-campus internship results and employment situation. Therefore, this plan is important for improving students' learning in the field of fashion beauty and has a very significant effect.
